

Woman Finally Recovers From Nervous Breakdown

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily powers. Mrs. Anna Kounz, 217, Mechanic St., Pueblo, Colo., says:

"For many years I suffered from nervous prostration. I was unable to do any house work and doctors failed to help me. Remedies I tried from druggists did not do me a particle of good. A neighbor told my husband about

Dr. Miles' Nervine and he procured a bottle. After the first few doses I showed a marked improvement and after taking two bottles I was entirely cured. I have been perfectly well for years and cannot praise Dr. Miles' Nervine too highly.

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep, if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment.

Dr. Miles' Nervine has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned. **MILES MEDICAL CO., Elkhart, Ind.**

A Great Crowd

A Great Day

A Great Time

Marked the Opening of Our

GREAT COTTON CARNIVAL

THERE are a great many greats in that little heading above, but if there is any other word in the English language that expresses just what the opening day of our Great Cotton Carnival was, we have failed to find it out in our dictionary. We anticipated a crowd, and nothing but natural that we should. Our every day and Saturday, too, business attracts crowds and with the attention of such remarkable values as we popped open to the public on Saturday, it is no wonder that they came in with a grand rush and whirl. This great sale just at this time was not sought on our part, in fact we did not like the idea a little bit, but realizing the conditions we knew that something had to be done and we got busy and did it. That is all. But the buying throngs were mighty tickled with the values, as the hundreds of bundles leaving our store showed very plainly, and right straight on until this great sale closes Saturday night, December 23rd, we are going to keep on popping values that will be readily worth the reaping. As an evidence just note well the prices that we are quoting in this ad.

SWELLING SALES. BECOMES A CUSTOMER MATCH THESE VALUES

Lingering doubts to buy are banished. The crowds come. They saw, they were convinced. We are turning the mighty wheels of merchandising with the powerful lever of small prices. Come and look. See for yourself.

THAT is all we have to say to you—come and look; if you need goods now, if you ever intend to need them, it will mean a tremendous saving to you to come to this great sale. We are each day adding greater attractions in merchandise and nowhere in Pickens, or in any of the surrounding towns will you find values like we are offering. We could go to work and try to tell you in many ways just what splendid advantages we have to offer you—but what is the use? You have heard of this great sale, hundreds have already been here, so simply come in and see what it is doing. Remember we welcome comparisons and we are never surer of pleasing than comparing our values with others.

Everybody Sits Up and Takes Notice.

WE are not in this sale for the money, that is we do not expect to profit on one single piece of merchandise; we simply want to move the greater part of this stock between now and Christmas and we are willing to make any sacrifice to accomplish our purpose. Such prices as we are making are necessarily ruinous to any business, but they must be made, and we will take our loss with a smile. The time may never come in our history when we can do so much for the people, but the opportunity is here now and you had better embrace it while it is before you with all its tremendous advantages. Christmas is only a few days off, the big Christmas rush is still to come, hundreds of people have delayed buying until the last minute. We urge you to do your trading as early as possible, as delay will not benefit you as the prices will not be any lower, and by doing your trading early you will not only have better selections, but we can give you much better service. The question of what to get for Christmas will be easily solved when you come here and any assistance our sales people can give you will be cheerfully given.
